

SHIPLACOFF OBJECTED.

Held Up in Assembly War Bill Decried by Federal Authorities.

ALBANY, Jan. 16.—Objection by Senator Shiplacoff prevented the passage by the Assembly today of a measure, the expedition enactment of which had been requested by Federal authorities.

The bill, which is designed to transfer to the United States Government certain abandoned canal lands in Still Water, Saratoga County, for the site of a manufacturing plant for war work, passed the Senate without opposition. It was hurried to the Assembly for concurrent action. Shiplacoff objected to unanimous consent. He asked permission to state the grounds of his objection, but was cut short by the ringing of the gavel. The speaker informing him that no explanation was needed or desired, as the objection had automatically deferred action.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.

Do you have a suffering from indigestion? Have you already tried peppermint, soda, charcoal, drugs and various digestive aids, and you know these things will not cure your trouble—in some cases do not even give relief.

But here is giving up hope and deciding you are a chronic dyspeptic. Just try the effect of a little bisulphate of magnesia—not the ordinary commercial carbonate, effervescent, gassy or milky, but the pure bisulphate of magnesia which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water, after your next meal, and see what a difference this makes. It will instantly neutralize the deleterious, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated, heavy, lumpy feeling that seems to follow every meal.

You will find that provided you take a little bisulphate of magnesia immediately after a meal you can eat almost anything and enjoy it without any danger of pain or discomfort to follow, and moreover, the continued use of the bisulphate of magnesia cannot injure the stomach in any way as some of these are any symptoms of acid indigestion.—Adv.

BERNSTORFF GAVE WARNING TO TREAT CAILLAUX WELL

(Continued from First Page.)

Ayres Jan. 30. The captain is carrying important papers. Capture very desirable. Caillaux is on board. In case of capture Caillaux should in an unobtrusive way be treated with courtesy and consideration. Can you inform our readers?

"BERNSTORFF."

The instruction of the German censorship to the German press on June 16, 1917, follows:

"For political reasons, it is urgently requested that nothing be written about the former French Prime Minister Caillaux and that his name be not mentioned under any circumstances."

This correspondence, although no official announcement to that effect is available, is made public by arrangement with the French Government which desired its exposure. Caillaux now is waiting trial in France for treason on revelations developed by the celebrated Bolo Pasha case.

Two More Arrests in Paris To-Day in Caillaux Case.

PARIS, Jan. 16.—Two more arrests were reported to-day of persons believed implicated with Joseph Caillaux in treason against France. They were Paul Comby, a well known lawyer, and Deputy, and Louisot, of the Chamber of Deputies.

Comby was taken into custody late last night and Louisot early to-day. In Louisot's case the arrest was more or less expected, since charges had been raised against him at the same time that Caillaux was making his defense in the Chamber of Deputies. As in the Caillaux case, the immunity granted to members of the Chamber of Deputies will have to be raised before there can be prosecution.

"I am one of your new boarders," said Caillaux to the head warden on arriving at the prison. He is being treated just like other political prisoners, being allowed two mattresses, two blankets and a table.

Caillaux was placed in a section of the prison which is continually under the observation of a warden. In nearby

cells are Bolo Pasha, Deputy, Louis Turrel, M. Duval and Jacques Landau, respectively director of and reporter on the Bonnet Rouge, and Paul Comby.

TO ARMS, COLLEGE GIRLS! HOOVER ISSUES A CALL

Plans to Mobilize Seniors and Co-Educational Institutions in Food Work.

The Federal Food Board announced to-day that, in accordance with plans made at the recent Washington conference of food administrators, steps have been taken to mobilize the senior classes of women's colleges and co-educational institutions to help in food administration work. Letters sent by Mr. Hoover to such institutions, read in part as follows:

"If you have not already done so we urge you to pursue studies dealing especially with food. But these should be reinforced by courses in chemistry, physics and economics. It will be well too if you have acquired the art of public presentation of your knowledge to the people who so much need it.

"Fortunately most of our educational institutions now offer courses which give the necessary training for this work. But, to the others an appeal is being sent to provide such instruction wherever possible. To-day, your country asks you to resolve to do what you can in this, the hour of extreme peril to the democratic peoples of the world."

ALL LOST, CRIES M'CUMBER.

Senator Draws Gloomy Picture of War to Hurray Up Ships.

WASHINGTON, Jan. 16.—Senator M'Cumber of North Dakota today gave the Senate a gloomy picture of the position of the United States and her Allies. In emphasizing his plea for radical speeding up of the shipbuilding programme, he declared England was now bearing the brunt of the war and asked "How long can she stand this strain?"

The United States must send 5,000 troops to balance the man power of the Central Powers, he said, and 7,000,000 would be needed to make the Germans retreat.

"Russia and Roumania are out of the war," he asserted. "Italy is losing ground. France is unable to make any headway. The wall of opposition at the eastern end of the battle line is unbreakable. Europe is crumbling. Who can say how long Italy can or will withstand the Teutonic pressure?"

Senator M'Cumber said the idea that pointing out our weakness discouraged the American people and encouraged the enemy was a mistaken one and declared that "we must learn the lesson that boasting will not win this war."
